4) The submission made by the college during clarification and assessment report have been carefully re-examined in terms concerned Regulation and provisions under the NCISM Act, 2020 and relevant regulations thereunder and as per the direction of competent authority the assessment report along with clarification report was once again placed in the **129th Board meeting** of Medical Assessment and Rating Board for Indian System of Medicine (NCISM) held **on 27.06.2025 and Board concluded that the college is not fulfilling the notified & requisite criteria for issuance of permission as per the Concerned Acts and regulations . However, Board decided to issue yearly permission in accordance with regulation 54 (3) of MESAR UG Ayurveda regulations, 2024, under section 28 of NCISM Act, 2020 as per the approved Seat Reduction Policy in accordance of Section 28 (1) (f) of NCISM Act 2020 for failing to maintain the minimum essential standards for the Academic year 2025-26.**

a) **As per the seat reduction policy 2025-26:-**

For deficiency of every one teacher, seat reduction in the intake capacity shall be considered by reducing the intake strength by 05% of total intake capacity".

All the colleges shall fulfill the requirement of teaching staff as mentioned in Schedule IV of MESAR 2024 and the availability of teaching staff for 60 and 100 intake capacity shall be 100% as the provision of conditional permission mentioned in the Regulation 3(3) of MSR-2016 is not available in the MESAR-2024. However, as per the revised policy letter issued on 20.01.2025, "The 10% Relaxation in the requirement of the teaching staff may be extended for the Academic year 2025-26. Therefore, the colleges with 60 and 100 intake capacity shall have minimum of 27 and 40 teaching staff respectively fulfilling the requirements of the individual departments separately".

After re-verification of the submitted clarification and the assessment report, college is having only 37 total eligible Teaching faculties.

There is deficiency of 03 total Teaching faculties as per the approved revised policy letter dated 20.01.2025 for issuance of yearly Permission under section 28 of NCISM Act, 2020 for the academic session 2025-26. **Therefore, in accordance of seat reduction policy 2025-2026, for deficiency of one teacher, seat reduction in the intake capacity shall be considered by reducing the intake strength by 05% of total intake capacity. As there is deficiency of 03 teachers, therefore seat reduction in the intake capacity shall be considered by reducing the intake strength by 15% of total intake capacity (i.e reduction of 15 seats)**

Accordingly, after applying the seat reduction policy 2025-26 under section 28 (1) (f) of NCISM Act 2020 college is fulfilling the basic eligibility criteria for issuance of yearly permission with 85 seats (106 Seats including

EWS) [instead of 100 seats (125 Seats including EWS)] in UG (BAMS) course under section 28 of NCISM Act, 2020 for the academic session 2024-25 .
